

Pivot ABA — Now Hiring Behavior Technicians & Registered Behavior Technicians (BT/RBT)

About the Team

At Pivot ABA, you'll be part of a small, clinician-led team dedicated to helping children with various abilities build skills, independence, and confidence. We work in homes, schools, and the community with our clients and their families. Our staff meet weekly with Masters or Doctoral-level supervisors, live during client sessions, for direct supervision and hands-on training, to review client progress, make program modifications, and identify ways supervisors can best support them.

Our mission is to ensure every child is surrounded by an environment that fosters compassionate learning and genuine acceptance. We empower compassionate individuals to help children achieve meaningful, life-changing progress.
